Docket No.: P92-34-03  
Entitled: Systems for Magnification and Distortion Correction for Imprint Lithography Processes

Dear Sir:

Applicants respectfully submit that the Publication and Issue fees for the above referenced application were paid to the US Patent Office on or about May 11, 2006. Following that action, on June 6, 2006, Applicants withdrew the application from issue. To that end, the Publication and Issue fees have been previously paid, and as a result, Applicants do not feel that any fees are due at this time. However, should the Director believe any additional fees are due, the Director is hereby authorized to charge any ffees which may be required, or credit any overpayment, to deposit account 502650.

Thank you for your assistance in this matter. If you have any questions or comments, or need further information, please do not hesitate to contact me by either phone or email.

Respectfully submitted,
